Subject: RDA Compliance

Good Afternoon:

Thank you in advance for providing us with a copy of the RDA Employment Plan compliance reported to the January 3, 2018 Redevelopment Agency.

We are so pleased to learn that the Agency is meeting its goals. Congratulations!

We invite you to share your systems, measures and results as compared with the intended goals of the legislation.

As we are providing input to the Raiders Stadium community benefit agreement, and we are seeking a successful comparison model.

We agree that training programs are needed and would like to meet with you to discuss an immediate opportunity .

We appreciate your attention in advance of the January 11th stadium authority board meeting.
